

The Ancient Academy of Noble Gnostic Knights is a Mystery School in the tradition of the Jedi Knights (yes, as the Djedi Knights of Egypt they really did exist). Like a Jedi Academy, this school teaches how to live as a Spiritual Warrior with Mastery of the Force.

The Ancient Academy of Noble Gnostic Knights is modeled after the original Academy of Gnostic Knights founded by the primal Spiritual Warrior, Sanat Kumara (pictured above), on the ancient continent of Lemuria. Graduates of this early school spread around the globe, and many of the latter Orders of Gnostic Knights, including the Knights Templar, were descended from it.

The Ancient Academy of Noble Gnostic Knights is being revived to create the Gnostic Knights of the New Era. These Knights will work on developing their latent spiritual powers and gnostic wisdom.
